PROFESSIONAL SUMMARY

Motivated Bachelor of Computer Applications (BCA) student with foundational knowledge in Python, MySQL, Web Development, and AI Prompt Engineering. Experienced in building academic projects using Flask, HTML, CSS, JavaScript, and MySQL. Demonstrates strong problem-solving, analytical thinking, and teamwork skills with a passion for developing innovative solutions. Seeking entry-level opportunities as a Software Developer, Web Developer, or Prompt Engineer.

EDUCATION

Bachelor of Computer Applications (BCA) — Maharana Pratap College of Professional Studies, CSJM University **2024 – 2027**

Expected Graduation: 2027 | Current Semester: 5th Semester | CGPA: 7.0 / 10

Intermediate (Class 12) — B.S.S Education Centre, CBSE Board **2024**

High School (Class 10) — Gyan Niketan High School, UP Board **2022**

PROJECTS

Hogwarts Bank Management System

Technologies: HTML, CSS, JavaScript, Python (Flask, PyMySQL), MySQL

- Developed a full-stack banking web application enabling customers to perform account transactions efficiently.
- Implemented account creation and updates, balance check, money transfer, transaction history, feedback system, loan application, EMI calculator, and help section.
- Designed a clean, responsive, and user-friendly interface for seamless navigation across all features.
- Utilized MySQL database to store and manage customer and transaction data securely.

SKILLS

Programming Languages: Python (Basic)

Web Technologies: HTML, CSS, JavaScript, Flask

Database: MySQL

AI & Tools: AI Prompt Engineering, ChatGPT, Microsoft Office (Word, Excel, PowerPoint)

Operating Systems: Windows

Soft Skills: Problem Solving, Analytical Thinking, Communication, Teamwork, Leadership, Adaptability, Time Management

Languages: English, Hindi

CERTIFICATIONS & WORKSHOPS

- **TCS iON Career Edge – Young Professional** — TCS iON
- **AI Tools and ChatGPT Workshop** — be10x
- **Pitch Night Edition** — Google Student Ambassador
- **Artificial Intelligence Internship** — CODE Alpha
- **Professional Networking for Career Growth** — HP LIFE
- **Python Mania 3.0** - Maharana Pratap College of Professional Studies
- **C++ Course: Learn the Essentials** — Scaler
- **Google Student Ambassador Program** — Google

ACHIEVEMENTS & EXTRACURRICULAR ACTIVITIES

- Actively participated in coding challenges and technical quizzes.
- Completed multiple workshops on AI, Python, and Web Development.
- Maintained a CGPA of 7.0 while balancing academics and personal development.
- Actively participated in college events and technical fests.
- Member of student communities and learning groups passionate about exploring new technologies.
